YOUR FIRST  
STEP TOWARDS  
THE JOURNEY  
OF SUCCESS.

iCAT (International Competitive Aptitude Test) was introduced for the first time in the year 2012 with the vision of helping Schools and the students bench mark themselves viz a viz students from other schools in India and abroad. The platform also gives an idea to the student that where do they stand in this competitive world with respect to other students.

Helping schools and students since 2012 to connect, compete and reward their talents.

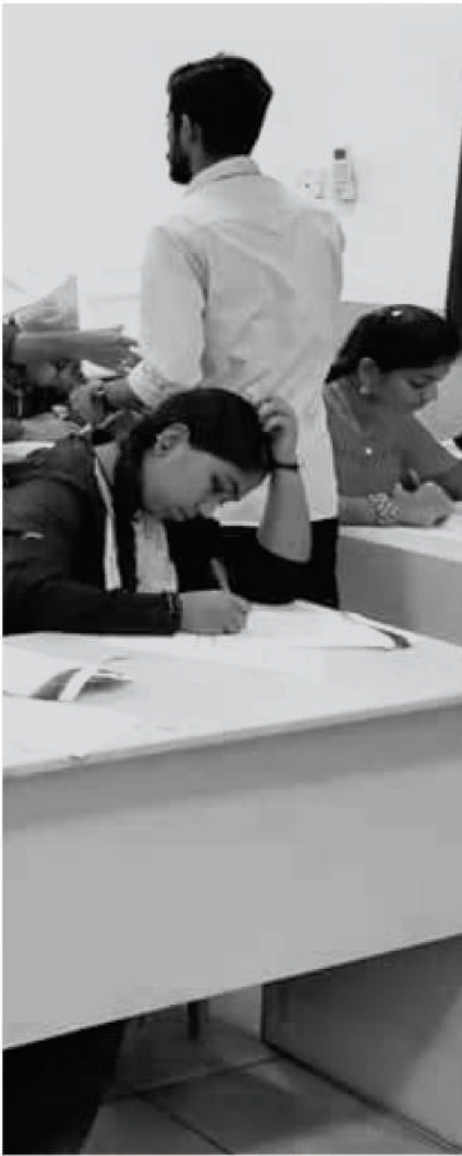

Identify your competitive Aptitude Index.

Experience the real competition and make yourself stand Internationally.

## CAN THIS TEST REALLY HELP MY STUDENTS

With the help of the iCAT, this is exactly what you will choose to gift to each student of your school. Once you opt to go the iCAT way you can power your students with the knowledge of where they stand not just amongst the national but the international competition as well. With the correct guidance and practice given to them, they will be able to challenge themselves only so that they are able to hold a firm foot when the same challenges are taken with a larger audience on the outside.
